

SPONSORSHIP PROGRAM

Every child deserves a strong start – the best chance for a successful future. But too many children right here in Kenya and around the world aren't getting the opportunity to reach their full potential. You can help change that. If you sponsor a child, then you'll give them the gift of a brighter future. When you sponsor a child, you achieve a special kind of giving that creates a relationship between you and the community where Uwezo Uplift Foundation are helping to change the future. Sponsorship provides essential aid and education to improve the well-being of children. When you sponsor a child, two lives are changed: a child's and yours!

Objectives

1. To increase the number of children able to attend school and have a chance of an education.
2. To assist vulnerable children to attend school by increasing pupil sponsorship
3. To help more gifted children fulfill their potential by gaining a tertiary education.
4. To change the world through one child one at a time.
5. To bring hope to the hopeless.

SLUM MINISTRY

SLUM MINISTRY (FAMILY VISITATION) Rapidly growing slums, with millions of people living in extreme poverty and struggling for survival, are a huge problem for Kenya's major cities especially Nairobi. Open sewage, polluted water, lack of health care, illiteracy, superstition, and diseases such as tuberculosis and AIDS are just some of the threats all around them. Uwezo Uplift Foundation's (formally Diguna Slum ministry) began in 2006, with outreach to the slums within Nairobi. Today, our teams serve in slum neighborhoods, bringing hope by living out His sacrificial love and sharing the love of Christ. We want to continue taking Christ's message of hope to those who are outcasts of society.

Objectives

1. To reach out to the poor with the gospel, giving them hope in Christ in the midst of poverty and hopelessness.
2. To feed the hungry.
3. To cloth the naked.
4. To promote health where possible.
5. To provide guidance and counseling where possible.
6. To show the great love of Christ in its simplest form.

SPORTS OUTREACH

SPORTS MINISTRY (SOCCER OUTREACH)

Many youths today find it hard to continue with education as well as maintain good relations with parents, family members and friends due to lack of guidance from the society. Most of them think of quitting school and start working while others join bad company and get influenced into drugs. As a result, Uwezo Uplift Foundation has started a soccer program. The goal is to help young people dream and recognize that the Lord has given them the tools they need to succeed. God created them with a perfect plan, and hopefully this new program will help them discover God's plan. Ultimately, we want to bring glory to God through this special youth athletic program.

"That you may with ONE mind and ONE mouth glorify God" (Romans 15:6)

Objectives

1. To teach young people more about Jesus and to be like Him.
2. To develop confidence on and off the field.
3. To inspire more teamwork and unity.
4. To bring out the best from each individual by using their God-given talents.
5. To keep the youths occupied in order to stay away from drug addictions and other social crimes.

GIRLS' PROGRAM

Teenage girls are increasingly becoming discontent and detached from life. In a culture that dictates how they should look, act, and live in order to be enough, many have lost their true sense of worth and identity. At Uwezo we aim to be a solution to the ever-increasing issues and confronting the pressures girls are facing, such as constant comparison, deceiving messages of perfectionism through the media, peer pressure, unrealistic expectations, and more through winning girls to Jesus Christ through love and acceptance. We provide an environment of support and accountability while helping girls to develop their gifts and abilities.

Objectives

1. Create authenticity and confidence in who they really are.
2. Celebrate differences instead of comparing.
3. Form positive and respectful relationships.
4. Promote unity and leadership.
5. Deepen their relationship with God and His Word.
