BARBARA VERONICA

Date of Birth: 12.07.2010

Place of Birth: Olekasasi B

Hometown: Olekasasi B (Ongata Rongai)

Education: Primary school

Barbara is very beautiful and bright student who wants to be an engineer when she grows up. She is currently living with her auntie and her two brothers as well as other children for the auntie. Just like her brothers the mother left Barbara when she was a little baby and up to date the mother never came back for her little girl. For this reason the burden has become very big for the auntie to take care of the many children in her home with the main problem being food and school fees. Barbara loves playing with her friends in school and at home.
