Dorcas is a very active young girl from a very poor family. The father passed on while she was little. The mother does casual jobs in people's farms for money to cater for the needs of the family of 6. Dorcas loves running competitions and wants to be a great athlete like Kipchoge Eliud (the world's fastest marathon runner) so that she can buy her own car. She wants to be a doctor when she grows up. She is in great need of assistance to continue with her studies and have a bright future.
